

unit_System_Construtor_Copy

```
graph LR; A[unit_System_Construtor_Copy] --> B[System::getName]; A --> C[System::getValue];
```

A diagram showing a central node on the left, labeled 'unit_System_Construtor_Copy', which is a gray rectangle with a black border. Two blue arrows point from the right side of this node to two separate white rectangular boxes on the right. The top box is labeled 'System::getName' and the bottom box is labeled 'System::getValue'. Both boxes have black borders.

System::getName

System::getValue
